## Devoted to spread light...

Devotion goes a step beyond Duty, it is elevated to the level of sublimity that sometimes defies words. Devotion is the genuine warmth of a grandmother's happy smile, the stillness of inner peace during meditation or the solemn holiness of service in a langar. The expressions are many, but it's the heart of a Sunbeam that breathes life in the spirit of the deed, thus illuminating the lives of all those who are touched by the light across the 5 decades.

### Where Rule is Cool...

In the chaos of life, order is needed to maintain the equilibrium of mind and heart. Discipline is the redeeming fire that turns Sunbeams to Gold... The pledge to follow rules with pride and commitment in every walk of life is evident on the campus. The proudly erect students in the Investiture, the fine balance of the yoga team doing the asana or the immaculate patience of the bus-boarding lines are synonyms of a disciplined 5 decade long life @Sunbeam.

## Devoted to Excel...

Excellence is the reflection of undiminished passion to a cause. It propels you to be proactive, pioneers the spirit of innovation and stand for your rights. The hand that turns off a running tap, picks up a telescope to unfathom the mystery of space or proudly wears a blue voter's ink on the finger is the hand of a devoted Sunbeam! This hand also touches the feet of grandparents in devotion as it preserves tradition proudly over 5 decades!

### Made to order...

The soldier who protects the nation, the leader who leads a victory march aren't always born... they are made... made to order in schools... schools that teach them to raise a hand and wait for their turn, to sit in a neat row in a lab and be punctual and prompt in their work without wasting time, to sit in the correct posture at the dining table and follow etiquettes or to pursue fitness with the attitude of a zen master! These little drops make the ocean of a Discipline.
