**CORONAVIRUS**

**Hey, Dear Children,**

Do you want to know why there is lot of fuss about corona?

We will tell you ..... but let's go step by step.

- 1) A virus is a teensy, tiny germ. Smaller than anything you can see with naked eyes. We can only see it using an electron microscope. Virus can make us sick, but they can't do anything on their own. They need to live inside another animal or human. COVID-19 is the short name for Corona Virus Disease 2019. It can spread from person to person through sneezing, coughing, human to human contact or contact with contaminated surfaces.

Now, let's find out the meaning of these words from the passage-

- a) A very small living thing that causes disease \_\_\_\_\_
- b) State of not being healthy. \_\_\_\_\_
- c) Infected by contact \_\_\_\_\_
- d) Name the device that we use to see viruses. \_\_\_\_\_
- 2) Let's be healthy and arrange these steps for washing our hands in a right order-

- a) scrub (rub together) ☐
- b) rinse and dry ☐
- c) lather (make bubbles) ☐
- d) wet your hands. ☐
- e) take liquid soap ☐

- 3) Do you know students, this COVID-19 started in a small state of Wuhan in China and from there it spread to other part of the world. Now India is also affected.

Find the ways to protect yourself from getting infected. –

**Tick (✓) that you should do and cross (×) that you shouldn't :-**

- a) Pick your nose. ☐
- b) Shake hand with friends. ☐
- c) Stay at home. ☐
- d) Go out to play in the park. ☐
- e) Sanitize your hands often. ☐
- f) Kiss your grandmother. ☐
- g) Say NAMASTE! ☐

- 4) You know children in this time of CORONA PANDEMIC people are STAYING AT HOME. But, there are people who are working day in and day out for Corona affected people such as -

Soldier

Teacher

Doctor

Mother

Fire fighter

Nurse

If you know any such person who is in your contact write the following details –
