Words in news these days : pandemic, quarantine, isolation, screening, transmission
Find the meaning of these words.

LET US BURST THE MYTH BUBBLE WITH THE NEEDLE OF FACTS

Due to lack of information and rumours spreading around, here are a few myths. Read the reports released by **Johns Hopkins Medicine** and find out the facts behind these myths:

Simon says, "by eating / swallowing / gargling with bleach, using essential oils or salt water, you can protect yourself from CORONA virus" but the fact is

Simon says, "the new CORONA virus was knowingly created / released by people" but the fact is

Simon says, "ordering / buying products shipped from China will make you sick" but the fact is

Simon says, "a face mask will protect you from CORONA virus" but the fact is

BE A GERM BUSTER, WASH YOUR HANDS

As per the reports from WHO, the best way to prevent this disease is by washing hands regularly and properly. With the outbreak of the CORONA virus, you must have seen that people are facing shortage of Handwash and Hand Sanitizer in the market. Here is a link that you can refer to for making a Hand Sanitizer at home. *(Refer to www.youtube.com)*

<https://youtu.be/biuepCKFrHQ>

Do share it with your friends and don't forget to wash your hands.

NOT ALL THE SOLDIERS FIGHT ON THE BORDERS

As the pandemic caused a lot of chaos and unrest in the world, it also gave so many heroes who helped people around the world to fight this disease. Here are some of them, Sunbeam family salutes their courage and selfless act. *(Refer to www.google.com)*

Shree Narendra Modi

Dr. Rahul Varshney MD

ART ATTACK

Design a poster for spreading awareness about CORONA virus and how to prevent it. Share it on your parent's social media accounts (Facebook / Twitter / Instagram) and Whatsapp. You can also send your posters on : anp@sunbeamschools.com

(Refer to www.craftbits.com)

Also hear what Bill Gates spoke about the greatest Global Catastrophe risk in 2015

WHO has recommended some basic measures to help prevent the spread of CORONA Virus (Covid-19). Some of them are given below

S. No.	Do's	Don'ts
1	Wash your hands often for at least 20 seconds.	Touch your face frequently.
2	Cover your cough or sneeze with a tissue, then throw the tissue in the trash	Travel when you have fever and cough
3	Clean and disinfect frequently touched objects	Wear a mask if you are well
4	Stay at home when you are sick.	Avoid the symptoms of cold & fever.

Complete this assignment and hand it over to the Class Teacher of your new class on the first day of school.
