Sunbeam Bhagwanpur Hostel holds the legacy of sending forth responsible global citizens, glorious in their merits, for over 30 years. The shine of the Sunbeams have been radiating bright from the length and breadth of this globe.

Upholding the vision of holistic development, the students here are engaged in different noble activities, which chisel a person into a great personality. While they are occupied in school with academics and co-curricular activities, their evenings and holidays too offer a variety of refreshing experiences which contribute towards their social skills and personality development that inculcate good habits and values in them. Students staying in the campus are exposed to the latest trends in the field of science and education, fashion and technology, varied emerging career options so that they can make forays into the novelties of the modern world.

Caring for the Environment and sustainability are given great importance. The School had taken up 'Cleanliness Drive' on a grand scale even before Swachh Bharat Abhiyan was formally announced. The Assighat was restored to its glory by shramdaan of students and staff members. Plantation programmes by students in different areas of the city, awareness programmes in the form of Signature Campaigns, Nukkad Natak, distribution of handmade cloth bags are various programmes taken up by the school. The school also installed Solar Panels for Green Energy.

Parents Teachers Association is taken forward by Parents Forum wherein the parents give constructive feedback for school's development. The eminent parents of various fields are invited for mentoring students in different academic subjects as well as co-curricular events. Parents Association is also fostered by parents invited as Judges for myriad school events.

Some of the innovative practices for enrichment of Science, Language and Math are--- the institution holds the distinction of being one of the chosen schools to house an 'Atal Tinkering Lab', in which students get to work with modern tools and equipment to foster their creative and innovative ideas and to give shape to their latent imagination. The lab's ethos of 'do-it-yourself' engenders both curiosity and the ways to resolve it among the budding minds of the students. Examinations such as Science Olympiad and Vidyarthi Vigyan Manthan Pariksha play pivotal roles in fostering scientific temperament and aptitude in the young minds. Robotics Lab which has been an integral part of the school's pedagogical system inspires students to adapt the norms of science given in the textbooks. The school frequently indulges in activities like 'Maths Walk' in which the learning happens outside the boundaries of the classroom. Students are given opportunity to apply the concepts of textbook in measuring the spatial and geometric dimensions of any given thing of the buildings. This activity endows the students with hands-on and persistent knowledge of the symmetry of materials. Visiting AssiGhat during Subah-e-Banaras is a rejuvenating experience for the students. Witnessing Ganga aarti there acquainted them with the rich heritage that this city harbours. Visit to Vishwanath temple, Chunar fort, Kashi Heritage Walk and their rollicking laughter at Anandi Water Park will forever be inscribed in their hearts. Counselors of national repute visit the school regularly to conduct workshops which expose the students to various career options available. Regular personality grooming programmes are conducted for all. Yoga, meditation and motivation classes conducted by the 'Art of living' instructors teach the students to attain mental peace and strength. Special prayer service, Satsang and Hawan are conducted on every Sunday.

Zumba Dance, Quality Circle Time, Social and Communication Classes, Manner and Etiquette sessions, formal lunches and dinners including outings to Hotel Radisson on Sundays are some of the most delightful and anticipated activities. Logophilia sessions motivate the learners to think, apply their knowledge and create new words. The extremely coveted Christmas Cricket League (CCL) held annually, not only provides the necessary adrenaline thrill to the students but also the tough competition to bag the winner's trophy evokes the virtues of team spirit and courteous sportsmanship.

Week long Life Skills' classes are organized which find their sweet culmination with an event of TED Talk. Ranging from the housekeeping to culinary classes; from gardening to personality development- these sessions are energetically lapped up by them as they prodded them a bit further on the way of becoming self-reliant adults. The TED Talk event saw the students spontaneously sharing their ideas on the skills of life as they had come to the evident conclusion that example is definitely better than precept.

The school has facilitated the students with the state-of-the-art gymnasium, furnished with all the ultra-modern gizmos and new music rooms, so that a perfect unison between mind and body is achieved. The school has one well-equipped infirmary where medical facilities are dispensed and also regular health check-ups are performed. Sophisticated security measures are taken to make the residents feel safe and secured.

Under the aegis of Sunbeam chapter of SPIC MACAY- 'The Society for Promotion of Indian Classical Music and Culture Amongst Youth', various cultural events are conducted, such as Pung Cholam- a traditional dance form of Odisha to instill love for the bounty that Indian tradition is capable of harboring. Mr. Scott Hartley, Mr. Shekhar Hardihar, Mr. Parnab Mukherjee, RJ Amaan, Mr. Vinay Tripathi - exponents in the fields of finance, Mathematics, public speaking, life skills' training and photography visited and enriched the knowledge bank of the students this session.

The trip to Youreka Camp at Chakrata, Dehradun provided an opportunity to the students to learn group adjustment skills, leadership qualities and become more confident. Our school proudly participated in the Military History Seminar, conducted by Welham Boys' School, Dehradun. The students got the special chance to present their topics before the grand audience. They also got the opportunity to interact with a few top brass of Indian Air Force there.

The campus of Sunbeam Bhagwanpur has always been agog with success sagas. The perseverance and tenacity put forth by all concerned have always brought fruit for the Sunbeams whereby they are seen leaving the campus as responsible citizens.

We truly believe in Sunbeam Vision and weave all the activities around this vision.

“Ongoing consolidation, growth and collaboration within and across institutions that are instrumental in holistic growth of students, in a conducive environment, that promotes excellence and the students further move on to refine the social fabric.”
