

From the Principal's Desk

Another eventful year comes to a close with all the home examinations ending and board examinations yet to see an end. As a teacher, my heart continues to beat in anxiety. Signing report cards is definitely a part of my profile as a Principal of this esteemed institution but what worries me is the fate that a report card brings for a student. When I think of so many of my students, I visualise of both happy and excited faces of those who have done good and of those whose long drawn faces expresses the disappointment of not being able to excel. As a Principal, I am a mentor to all the children; good or bad; intelligent or not so

intelligent. Well, time to reflect on the year gone by.

A solemn ceremony to felicitate the achievers of the previous session opened the new one on a bright and cheerful note on 10th April,'12. The Investiture Ceremony of the Council Members and the Class Monitors echoed the earnestness of the school culture ie to cultivate all the right values in its students. Along with these were the recognitions that filled us with pride for our Chairman Sir and Director Ma'am. Yes, I am talking of the HT Woman's Reader's Choice Award and the full page interview with our Chairman sir carried by the Education World. Followed by these were the 26 IIT selections, 7 PMT selections along with 20 students of class X achieving 10 CGPA.

The session continued its way forward with frantic and almost manic activities along with regular classroom curriculum. The Commerce Conclave, the Eco-Tech 2012, cultural activities under the aegis of SPIC MACAY, Independence Day, Teacher's Day Celebrations; achievements in ODYSSEY and MACFAIR @ CMS; the rise of a new chess star Avantika Shroti of class IV B; workshop by noted educationist Sonia Relia to add that "extra skill" to a teacher; excursions to boost the confidence of students such as Youreka Adventure Camp and trip to Anandi Water Park, colourful celebrations such as Sawan and Janamashtami; Scholastic Book Fair to give students unimpeded reading pleasure, The Hostel Annual Function- JOSH 2012, paying its tribute to 100 years of Indian Cinema, the immaculate arrangements for the CBSE Cluster IV Basketball Tournament 2012 and the corresponding euphoria for winning the Championship Trophy in the Boys category and the Runner's Trophy in the Girls category. A bagful of other laurels consisted of Bharat Vikas Parishad, Navasadhana, Limca Quiz 2012, Hindustan Ke Hunarbaaz, C.V. Raman Science Quiz, Metals and Materials Quiz, Humanitarian Fest besides others. The colours of Dussehra and Diwali celebrations were followed by the junior school annual function SOCH. Minerva Fest gave the literary minds the opportunity to sharpen their skills.

Farewell Assemblies and Farewell Picnic reminded us of the exit of yet another promising batch. The Braintech 2012 showcased the talent of the students and the success at the CBSE National Heritage Quiz 2012 gave us yet another moment of glory.

The Republic Day Celebrations and the Farewell Ceremony of Class XII on 26th January,'13 and the Thanks Giving Day on 20th February for class X, brought not only smiles and cheers but also gave us the reason to look forward to yet another year.... A year that would be equally exciting and hectic; a year that will bring along lot of challenges and give us reasons to celebrate success and reflect on our mistakes.

And justifying the vision of our mentors- our Respected Chairman and Director, Deepak Sir and Bharti Ma'am, are the DIGI Classes for classes V- VIII that promises to make classroom learning a joyful journey.

As Sir ALBERT Einstein rightly said, "It is the supreme art of the teacher to awaken joy in creative expression and knowledge", I promise to bring for you more joys of creativity in your curriculum in session 2013-14. At the end, I would simply say "Don't make excuses, make improvements". I wish you all a colourful, joyful and safe Holi and definitely a great session ahead.
