A News letter by Sunbeam English School, Bhagwanpur

Jan. & Feb'2021

As the nation unfurled its Tricolour in celebration of valour & the freedom that came in its wake for the world's largest democracy, we also celebrated India's first baby step of triumph in our combat against the enemy that held us at bay for most of 2020- the covid.

The NCC flanked flag hoisting at the hands of Chairman -Dr.Deepak Madhok & Asst Director Ms Pratima Gupta is how the Republic Day celebrations at Bhagwanpur started .The joint address by School Head Girl & College Vice Head Girl was followed by the much awaited address by Chairman Sir -Dr.Madhok, who not only addressed the issues plaguing the nation & the academic fraternity, he was also generous in eulogising the efforts of the teachers during the online teaching initiatives. He also urged more students to return to school, albeit with care & caution.

A heartwarming dance presentation by NCC students ,followed by a melodious rendition by students of the Sr School singing praises of the nation infused hope.

It was followed by a beautiful enactment of the very relevant poem" phir vapas aana padta hai" dedicated to the untiring efforts of the corona warriors- doctors & those in uniforms. The last of the cultural event list was a colourfully attired dance presentation by the girls of the Sunbeam College for Women.

In her address ,the Asst Director-Ms Pratima Gupta extolled on the sacrifices that ensured the freedom of the motherland from the fetters of the colonial rule & entreated the students to revisit of tenets of the Constitution to familiarize oneself with duties before rights.

She urged the youth to be aware of their rights since it is a need of the hour .

The vote of thanks by the College administrator, Ms Madhulika Singh, brought the curtains down on the memorable 72nd Republic day celebrations.
