

*Mrs. Deesh 'Ishrat' Madhok*  
Founder Mother of Sunbeam Group

1<sup>st</sup> June 2024

Your legacy remains an inspiration to all.

"Education is the most powerful weapon which you can use to change the world."

In remembrance of 'Late Mrs. Deesh 'Ishrat' Madhok', the visionary Founding Mother of Sunbeam Group of Educational Institutions, Sunbeam Suncity re-dedicates itself to the principles she held dear.

Her inspirational legacy continues to thrive in the hearts and minds of our students and staff, guiding us every day.

On June 19, 2024, our students **HANSHIKA YADAV, PARTH SARTHI, GARGI, SWASTIKA, KRISHANG UPADHYAY & ALLEYAH PARVEEN** participated in an online Round Square Postcard event hosted by Colegio Gran Bretaña's International School.

The event encouraged participants to reflect on their screen time and featured discussions in breakout rooms. Students, teachers, and staff from Round Square schools globally shared their experiences enthusiastically.

# session on CYBERCRIME

Mr. Shubham Pareek and Mr. Aniket conducted an enlightening session on cybercrime for Sunbeam Suncity teachers. They raised awareness about various cybercrimes, associated risks, and preventive measures. Their engaging presentation provided valuable insights and practical tips, emphasizing the importance of cybersecurity in education. Our teachers are now better equipped to protect themselves and their students online.

## CAPACITY BUILDING WORKSHOP ON **LIFE SKILLS**

On June 24th, Sumbeam Suncity hosted a CBSE-CBP session on "Use of AI in Classrooms" led by Mr. Alok Srivastava and Dr. Manmohan Mishra. The event highlighted AI's potential to revolutionize education and shared innovative approaches to integration. Participants gained valuable insights into harnessing AI's power to enhance student outcomes. Chairperson Dr. Deepak Madhok and Vice Chairperson Mrs. Bharti Madhok emphasized the importance of human values in the era of technology.

The session was a resounding success, offering a great opportunity for educators to explore AI's transformative potential. Educators learned to strike a balance between technology and human values. The event was a valuable learning experience for all who attended.
