NEW YEAR'S REFLECTIONS

*Looking back on the months gone by,
As a new year starts and an old one ends,
We contemplate what brought us joy,
And we think of our loved ones and our friends.
Recalling all the happy times,
Remembering how they enriched our lives,
We reflect upon who really counts,
As the fresh and bright new year arrives.
A new year is beginning to peak through
softly beautiful and different like new falling snow,
each day unique and shaped just for you.
Your life adding something as each day does grow.
My wish for your new year is beauty
and softness with surprises thrown in for delight.
Love for each day bringing happiness to you,
making your life a scene of sparkle and shining sunlight.*

Happy New Year -2014

to the parents & students!

NEW YEAR FACT

The New Year has started on 1st January according to the Julian calendar used in the Roman Empire since 45 BC and in some other countries on Janus. The Romans originally dedicated New Year's Day to Janus, the god of gates, doors, and beginnings for whom the first month of the year (January) is named. The New Year is one of the most celebrated days in the world.
