**T**ime decides the course of life and designs the memories of one's album. Sunbeam Suncity took clues from the hands of the clock and wove its farewell program for class XII. The program staged yesterday was an interesting kaleidoscope of the various aspects of life, bringing forth the feelings that constitute life- joy and sorrow, melancholy and togetherness, distance and celebrations.

The program was set in Resonance which proudly hosted the smartly dressed boys and girls of class XII. The ceremony began with the chief guests- Chairman & Director- Mr. Deepak Madhok and Mrs. Bharti Madhok, along with the Asst Director- Mrs. Pratima Gupta, Honorary Director- Mr. Harsh Madhok, Chief Administrative Officer- Mr. Sandeep Mukherjee and other members of the board, being welcomed by the anchors of the show.

As all sat glued, the stage broke into a riot of colors with the outgoing batch walking down from the stage and joining the guests in the audience. Perfect timing! It was their day today, it was their time. And they were lavishly served with interesting choreographies denoting the passage of time. If the "Glorious past" took them back in time; "Melodies of the present"- established the tunes of the present; "Sands of time"- mirrored the memories created over time; and "Future's promise" - wished them well for their plans ahead in life.

Of course, the spotlights shone brighter when awards were given to the deserving and the assembly of our regal flock of students broke into a frenzy of applause watching their favorites receiving titles. Some grand titles bestowed were- Mr. Noble and Ms. Sophisticated, that went to Nikhil Gaur and Pratishtha Pandey respectively; Icons of Inspiration were given to Shashank Singh and Mansi Barnwal(Head Girl) for inspiring their peers and juniors with exemplary mannerisms and good academic record; and "Ace Sunbeam Award" which went to Prashant Mishra- The Head Boy of the school for his excellent academic record, achievements at the national level and leadership qualities.

As the applause faded, the staff of responsibility was handed over to the Vice Head Boy and Vice Head Girl- Aishwary Singh and Anisha Singh by the Head Boy- Prashant Mishra and Head Girl- Mansi Baranwal, followed by their speeches elaborating upon their journey through the years at Suncity and their roles as the leaders of the School Council. Thereafter class XII pledged to uphold the Sunbeam values, which was echoed by all other students of the outgoing batch. These solemn moments, yet again passed into racing rhythms as the Rock Band of Suncity- Phoenix culminated the show with their performance.

The Chairman & Director, Asst Director and the Honorary Director, the Principal- Mrs. Archana Singh and the Hostel Superintendent- Mr. Ashish Rai, blessed the outgoing batch and poured their wishes on them praying for their bright future. With High Tea and DJ, the celebrations came to a grand closure.

The 68th Republic Day was celebrated in all its grandeur at Sunbeam Suncity today. The Chief Guest of the day, Honorary Director- Mr. Harsh Madhok hoisted the National Flag, which was followed by the National Anthem sung by all the students and teachers. The entire arena echoed with resounding 'Jai Hey' and filled every heart with pride.

The school orchestra presented a soulful medley of patriotic songs. It was followed by a beautiful choreography by senior school, on the National Anthem. Another presentation-Dhakad, was performed by the students of Sunbeam Gramin

School. The mass drill by support staff members received a huge applause from the audience. The melodious music and graceful movements of the dancers were spellbinding. Utkarsh of class VIII delivered a speech which was appreciated by everyone. Aishwary, the Vice Head Boy of Sunbeam Suncity urged the student fraternity to take accountability of their actions and contribute towards the progress of the nation.

Honorary Director- Mr. Harsh Madhok in his address said that it is important for the youth of the nation to not take the rights and liberties for granted, but to ensure in every possible way, their contributions towards making India a great nation. The Principal- Mrs. Archana Singh reminded the students of their duty towards the school and surroundings as through such humble ways they can effect the right changes.
