Suncity No.1 School & Hostel in Uttar Pradesh

"Be the change you want to see in the world"

On 1st October, 2016 the senior students of Sunbeam Suncity churned thoughts with their discussion on human values and how the fabric of the society is disintegrating when people are pitted against each other on the basis of caste and religion. While the task of initiating change may be an uphill one, it certainly is not an impossible one. All it will take is a set of determined and committed teachers and parents who will use their power the way Gandhiji would want them to: with love and care. And with the

army of today's informed youth, change for the good is bound to happen. The rewarding moment came to Suncity when Chairman Sir, Director Ma'am along with Asst. Director Ma'am and Executive Director Sir presented the Education World Award of Suncity being ranked No. 1, to Admins and student representatives, and the entire strength of students just could not stop applauding. In their respective speeches, Chairman Sir, Director Ma'am along with Asst. Director Ma'am and Executive Director Sir urged the staff and students to strive even harder so that the benchmark is raised every year and the wheel of excellence keeps on gaining momentum.

Students of Sunbeam Suncity awaken the collective consciousness towards change A Step towards "Swachh Kashi – Sundar Kashi"

The senior school art students of Sunbeam Suncity, under the cleanliness campaign initiative, created a graffiti on a wall near Assi Ghat area. This project was undertaken in order to discourage public to use such lanes as garbage dumping zones. The students also wanted to create awareness regarding usage of public toilets instead of such public places.

The graffiti created by students depicted the rich culture and heritage of the city of Banaras and cleanliness as the responsibility of each citizen. Under the campaign, children distributed pamphlets for awareness amongst the residents of the area.

The residents and shop owners were thankful to the school and students and they also promised to protect and maintain the area.

The initiative was headed by Mr. Pankaj, Mr. Irfan, the art teachers of the school.

The celebration started with a welcome song followed by paying floral tribute to Dr. Sarvepalli Radhakrishnan. The Principal- Mrs. Archana Singh along with Other admins and students paid floral tribute to our founder mother.

The students wove in the values and beliefs of their school into musical and poetic renditions. Both classical and western music were a part of the presentation thus proving that they are gathering the best of the diversity which the world offers. The school has been holding a number of academic and cultural programs every year ever since its inception and celebrations proved their trust in the school system.

It was heartwarming to see the students recounting the school's journey to excellence.

Hindi Diwas

Sunbeam Suncity celebrated The National Language Day - Hindi Diwas on 14th Sep.2016. Students recited poetries based on the theme "Hindi Meri Pehchan" and " Ekta ka Sutra Hindi ". Through a quiz and opinion poll students explored the language HINDI and its different hues & flavours. It was interesting to hear very strong opinions flowing from the students who expressed themselves very fluently in the language and emphasised on the importance of preserving it. One child emphatically said that though people of India today may say that Hindi is losing its place to English and will become obsolete one day, they need to understand that something that has its roots deep in tradition and culture, can never be replaced.
