I'd like to welcome each one of you to a year of continuous inquiry and exploration at Sunbeam Suncity. Your school team has been hard at work preparing for the opening day. Your Teachers have been looking forward and preparing for the start ahead. The excitement around in the campus is so positive that I can't wait to start! Each year we work towards another opening day and each year our efforts are always met with pure joy and excitement of you all dear children. Frankly it is my most favourite part of the school year. New start, new grade, new teachers and many new school initiatives to enjoy - this year's crop in the learning garden is yet another example of the promise the days ahead hold for us. I hope and I truly believe that you all will make the best out of all the opportunities that come your way and shine as true Sunbeams. All the best for session 2017-18.  
Jai Hind

**Mrs. Bharti Madhok**

I'm so excited to see the school buses back in action, canteens thronged by children, classes and labs buzzing with activity. The new session has begun...finally! What a pleasure it is to see all of you back in school! I hope Sunbeam Suncity will continue its winning streak in all spheres and bring laurels as it has been doing. Remember, you are Numero Uno and counted among the best in the region. Your teachers are ready, willing and dedicated to provide quality education with high expectations from you because they know that you have it in you. This session, I want you all to defeat your fears and emerge winners. Understand the value of each moment and work hard. At the end of the session I want you all to own a memoir of fruitful days in school. Be positive, be smart, walk tall...Be a true Sunbeam!  
Jai Hind!

**Mrs. Pratima Gupta**

My motto for this session- 'FUN, FAIR, FIRM'. This time I want you all to decide which side of 'Fair' you use depending on the daily choices you make. We have a number of 'FUN' new initiatives at the school this year that we hope attracts you and keep you engaged in learning. You have the best resources at your disposal already and I want you all to own up the responsibility of keeping everything in order. Suncity has evolved a lot and has earned its rightful place in the best schools list. You have to keep it going. Above all, be truthful and invest in the best- best thoughts, best work, best academics, best sports and co-curriculars. Groom yourself well and leave no stone unturned in putting in the best of your efforts this year. Am so thrilled and READY to start yet another wonderful year with you. Pull up your socks and get ready to begin your journey yet again for this session- 2017-18. Stay positive and stay happy. Jai hind!

**Mr. Harsh Madhok**  
Honorary Director-Sunbeam Group

I am happy to welcome you in the session 2017-18. We began with the journey of Suncity in 2011 and it's been a long way since then. It is needless to say that it is because you all believed in us, that we could work this hard for you too. Dear children, you all are the soul of this institution. And therefore, it is all the more imperative that you all work harder every day of your school life. You are blessed to have such a supportive band of teachers and mentors. This year try to interact a lot with everyone- teachers, classmates, juniors and seniors. Smart inter personal skills are an absolute must in today's world. Dress smart, grab every opportunity that comes your way, play a sport and keep healthy. Be inquisitive, make friends who will help you evolve better, seek help because it does not make you small and complete your tasks on time. Value yourself and value others. Jai hind!

**Mrs. Archana Singh**  
Principal-Sunbeam Suncity

Yet another session has begun, and I as always, look forward to a very happening year with you all. The year gone by, gave all of us a bagful of joyous moments. Through many events, you all have shown that you all are determined to set on yet another voyage of creating endless chronicles of success. And I don't doubt your calibre. Every day I see a different you because each day that you spend with us, you become more confident and optimistic. Now start turning each day into a miracle and create your own miracle each day. Begin with small steps- speak smartly, come more often onto the mic, participate more in activities, practice a sport everyday, spend an extra hour in your studies, learn a new word everyday, read a good book each week and adopt healthy habits. Embrace each moment with a smile and see your world transforming. Wish you all a very happy session. Jai hind!
