**at Suncity culminates amidst applauses**

**S**unbeam Suncity held the much awaited Zest- the inter stream fest, 2017 on 4th September in Resonance. This platform brought the students of class XI of Science, Humanities and Commerce streams together to engage them in a healthy battle through five major events- Ten Talks, Movie Dissemination, Candid Conversation, Moot Court and Quiz.

The Judges for different events were- Mr. Aditya Choudhury, Dean Academics and Creativity Sunbeam Group (for Tentalks), Mr. Sandeep Mukherjee-Chief Administrative Officer, Sunbeam Group( for Movie Dissemination), Mrs. Madhulika Singh-Administrator, Sunbeam College for Women, Bhagwanpur (for Candid Conversation), Dr. Anshul Jaiswal- Asst. There was one additional event too- Doodle Art which was adjudged by Mr. Love Pandey - TGT, Sunbeam Bhagwanpur.

The emphasis of all the events was on the importance of good speaking skills. And the judges' inputs inspired the children to make an effort in order to achieve their goals.

The event opened with the ceremonial lighting of lamp and invoking the blessings of the Almighty. Principa, Sunbeam Suncity - Mrs. Archana Singh blessed the students and encouraged the students to take on the challenges. This was followed by Ten Talks, in which two participants from each group donned the hat of a famous speaker whose talks have impacted many people, and delivered one of their famous speeches. The first prize was won by Saumya Rai, the Second Prize went to

Sudhanshu Shekhar and the third prize went to Aditi Bhandari.

The "Movie Dissemination" was very interesting as the students presented their assessment of movies- Neeraja, Madaari, Partition 1947 and Naam Shabana, through AVs and confidently courted the Judge's questions. 'Neerja' disseminated by Shruti Srivastava, Tanisha, Rishi and Muskan won the first prize.

Candid Conversation brought to the audience interesting talk shows with eminent people from different walks of life. The first position rightly went to Aditi Tripathi and Ishaan Gupta for bringing to the audience the young icon of inspiration - Malala Yousufzai.

Moot Court was yet another competition where the petitioners and respondents debated upon, 'division of states for better governance', and 'aftermath of demonetisation'. The first place went to Sudhanshu Shekhar, second place went to Chittaranjan Kumar, and the third place was won by Harshita Mansighka.

The conclave culminated with the General Quiz conducted by Mr. Abhinav Dut: Pandey the Activity Coordinator of Suncity. The quiz proved to be not only extremely informative but: immensely enjoyable too. The team comprising of Shivam Soni, Shreya Shahi and Chenu Kumari robbed the highest score in this event.

In Doodle Art, the first prize went to Mastan, the second prize went to Radhika Bajaj and the third prize went to Bhumi Gupta.

All the judges insisted upon originality of thoughts, understanding a particular subject well and forming one's own opinion on a given topic/ theme because a well rounded individual must have one's views and say. After this marathon of events, the team tally declared the Humanities stream as the Champions.

## QUIZZING

gets a new dimension @ Suncity

Whether Quiz is an art or a science has been a perennial topic of discussion and debate and intelligent people say its a bit of both. We can always take it either way and simply say its addictive. And being 'quizzical' is the only way to satiate a curious mind. It's even more interesting when we face questions such as, 'Is that your final answer' to, we are reminded how valuable a question could be through 'that's a ?20000/- question!' have become a part of our lives. And it's no longer about answering randomly some trivia based questions.

It's really interesting to find our school circuit fast turning into quizzing destination. One such instance was when the quizzers of junior and senior school attended the quiz session by Mr. Gaurav Yadav in the Multimedia and learnt about the nuances of quizzing.
