Manjari – The Palette of virtues, the Annual Function of Sunbeam Suncity and Sunbeam Indiranagar revived the four virtues from Ramayana – Dharma (Righteousness), Shourya (Courage), Santosh (contentment) & Nyaya (justice) and urged the society to preserve the legacy so that the next generation find a better world for themselves.

The program commenced with student achievers of Suncity & Indiranagar displaying their trophies and medals in various co-curricular activities, which was followed by the Principals of both units presenting the school report. After this, the inauguration took place. The inauguration tableau presented a glimpse of the Holy Book Ramacharitamanas, around which 'Diyas' were lit by the dignitaries Chairman & Director – Dr. Deepak Madhok, Dr. Bharti Madhok; Asst. Director - Mrs. Pratima Gupta and other members of the board.

Post inauguration the hosts enthralled the audience with an enchanting Orchestra presentation – Swar Ganga. This rhythmic carpet of time took the audience on a divine cruise.

The stage floor soon livened with the mischievous “Hanu – Man” in which students of KG – class I presented the spirit of Lord Hanuman. With the applause from the audience, the narrators introduced the performers of classes III to V from Sunbeam Indiranagar, who gave the world new ray of hope. The audience was mesmerized to find the new interpretation of the important events of the great epic namely *Ram Janam & Baalya Kaal, Gurukul, Taerka Vadh, Sita Svayamvar & Ram Van Gaman, Sita Vilap, Ram Setu, Dharam Yuadh* which announced the victory of good over evil. The tapestry of events lead to Utsav – the culmination, as crackers greeted the audience and the Chairman – Dr. Deepak Madhok along with the Director – Dr. Bharti Madhok addressed the gathering. They particularly asked the parents to stress upon the need for students to know about our scriptures and uphold the values they espouse.
