## WHERE THE PAST BUILDS THE FUTURE @ SUNBEAM

To build up a future, you have to know the past and get inspired by it specially in India where the past is a glorious amalgamation of organised and culturally developed education system steeped in culture and tradition, rooted in scientific understanding and mastery and embellished by strong moral and value systems. Sunbeam Schools, down the years have stayed true to its vision of upholding ancient traditions while having a modern vision. The Sunbeam Calendar 2024 is a tribute to this journey of Sunbeam, showcasing how we have incorporated in the Sunbeam Precept important and relevant elements from India's famed, age-old education system. While the NEP has brought forth Pancha kosha and Panchadi as Indian education system beacon lights in the recent past, at Sunbeam the onward growth over the 5 decades has been built on the foundation of the past. The Pages of the Sunbeam Calendar are testimony to the same !!

## Manomaya

The power of the 'I', the strength of the 'Us', the understanding of the self and the will to incorporate the We into Me are all mechanisms of the mind. In the Aesthetics of art, subtleties of strategizing, the robust rigour of academics, the mind of a Sunbeam is as evolved as the Manomaya Kosh!
