### Notice for Class II

Date: 09/04/2024

Dear Parents

Questioning is a powerful tool for deep learning and understanding. It also sparks curiosity, encourages critical thinking by asking questions. Students think deeper, explore different perspective and make new connections through framing questions.

Through assignments, students will be trained and get the practice to frame questions. They'll learn how to ask insightful questions that provoke thought and lead to meaningful discussions. These skills are not only valuable in the classroom but also in their everyday life, helping them become better learners, problem-solvers, and communicators.

Regular Assignment on developing questioning skills will be done by the teacher in the class. Students will be framing the questions in the **Unit Test Papers/Half Yearly/Annual examination** based on the passage **OR** situations given in the question paper according to the **Blue Print** given below.

Subject	Marks of UT	Marks allotted for questions to be framed as per Bloom's Taxonomy	Marks allotment for different levels of questions made by students as per Bloom's Taxonomy
English & EVS	25 Marks	One question of 2 Marks	Remember – <b>1 M (1/2)</b> Child will score 1/2 if he/she makes question of remembering level.  Understand – <b>2 M (2/2)</b> Child will score 2/2 if he/she makes question of understanding level.

The teachers will train the students in Teaching – Learning process and give them practice for the same in the classroom with the help of an assignment for each chapter.

Virtual parent's orientation will be conducted to give parents a better understanding of the same for which zoom link will be shared later.
