My Son/Daughter has my permission to participate in all Parallel activities (games, sports, drama, excursions, etc.) and other outdoor and indoor activities organized by the school. I hereby permit him/her to use the transportation provided by the school, if needed, and will not hold the committee/school, responsible for any claims resulting from any accidents etc. while coming or going to school or within the school campus. The date of birth as mentioned in this form taken from birth certificate/T.C. of my son/daughter is correct and I will not demand any change in the future as I understand the Government/Educational Department does not allow it.

In case of any accident or emergency during a trip/ excursion, the school will not be held responsible, though I believe the school authorities accompanying the children will be vigilant and extremely alert to avoid any such mishap during school tours, excursions, competitions, etc. The school will not be responsible for any act committed by the child on his/her own, thereby causing injury or self-inflicted injury for whatever the reason may be within or outside the school premises.

In case of any emergency, first aid will be provided in the school premise and the child will be taken to a hospital if required. The medical expenses thus incurred will be borne by the parents of the child. In all such cases, the child will be handed over to the local guardian or parents as the case may be. School will not be responsible for anything including misconduct/ misbehavior/safety etc. before or after school timings and out of school premises.

In case, a phone number is changed it is parents responsibility to give in writing to the school the changed phone number, the school will not be responsible.

The school will not be responsible for any obnoxious social media activities or online behaviour of the students and any tarnishing of school name in the social media by particular student and any personal post on social media that is unacceptable in terms of societal acceptance will lead to disciplinary action.

I have read the rules and regulations of the school as laid down in the School Prospectus and Almanac agree to abide by them. I hereby agree to abide by all the decisions of the Principal. If my child is found indulging in any indiscipline, whatsoever, the Principal will have the right to

punish or expel him/her from the institution and this decision will be final and binding on me. I understand that no third party will be allowed to represent me or my child in any matter. I hereby assure that my ward will be staying with us only and not in a private hostel or guest house. The school has the right to cancel my ward's admission with immediate effect, in case found not staying with us.

If the child absconds/runs away from the school/Hostel, the hostel and school will not be held responsible and blamed and the child will not be taken back in the school or hostel.

I, understand that the school's IT and IT Acceptable Usage Policy and Behavioral Management Policy has been put up in the school Almanac and will be updated whenever needed. I understand that my ward will have to abide by all the school's IT and IT Acceptable Usage Policy and Behavioral Management Policy mentioned at school and at home and the school is free to take disciplinary action for any non-compliance.

I do not have any personal/legal issues in case if the school authorities/ teachers/ management/ others, take a photo/video from the mobile phone/camera during the activities/ sessions/ trainings/ ongoing learning process, inside the premise/outside premises, single/group, in school uniform/in casuals. I allow the school authorities/staff that they can share/promote the images/pictures/videos on social networking sites/print media/electronic media for promotional/advertisement purposes.

I give my consent for the same.
