INDIA SCHOOL RANKINGS

“To hit the mark, aim a little above it”

# Aims & Values

## We aim to:

- Provide all children with a secure, caring, friendly and well organised environment where discipline is firm, fair and consistent.
- We aim to facilitate learning in a hybrid model with the best of modern educational technology and edtech tools for better concept clarity.
- Ensure that all children receive equal regard and equal access to the curriculum.
- Incorporate Technology, Theory of MI, collaborative learning in all areas of teaching.
- Develop in children a degree of independence and self motivation.
- Encourage behavior that is tolerant, sensitive to others and reflects good manners and moral awareness.

## We encourage children to value:

- Excellence in their work.
- Doing their best for others and understanding the strengths and weaknesses of others.
- Working together in groups and teams.
- All staff, teachers and the school as a community.
- The environment, the school and their personal property.
- The reputation and goodwill of the school.

## Extending Classroom Boundaries

Co-curricular and Focused Activities help children broaden their vision and enhance classroom learning, all under the guidance of experts who are masters in their respective fields. Eminent national and international personalities are invited for lectures-demonstrations, which gives children opportunity to interact with the finest professionals.

## Sunbeam Sarnath.... “Developing Intelligence plus Character”

### Academic Support

- Academic coaching and study hours supervised by teachers, mentors of the school for academic excellence.

- Hi-tech campus with wireless broadband internet connectivity and Computer Resource Centre.
- Well equipped Infirmary for the students.
- Elevator for the special needs.
- Champion's Colosseum and Champion's Crest to offer top-notch outdoor and indoor sports facilities for diverse athletic activities.

### The Sunbeam Precept

We aim to put our children at the centre of their own learning and place great emphasis on nurturing skills and attitudes such as resourcefulness, resilience and co-operation. Incorporating the theory of Multiple Intelligence to give each child an opportunity to learn the way he wants to has really enhanced our academic delivery system as has the incorporation of Integrated Blended Learning Designs (IBLD).
