# CBSE: Ayushi secures 98.60% in Inter, Varnika 98.20% in HS

PNS ■ LUCKNOW

Ayushi Chauhan of LPS South City scored 98.60% marks in CBSE Class XII, results of which were declared on Friday. Ayushi was surprised when she came to know about her high percentage as it was beyond her expectations. Daughter of a lawyer, Ayushi said her success mantra was to persevere and consistent studies. "I studied throughout the year. I believe if you are going to school and attending classes, it will be of great help. I always studied on time and did not procrastinate, which helped me," she said.

The young achiever wants to become a civil servant. "I want to uproot all the problems which people are facing at the ground level. Corruption is an evil, as is the black money. I want to eradicate these issues and facilitate people. It was only after the examinations that I created my profile on social media. I used my phone but with a time limit. I also made it a point to go through the previous years' question papers."
