From 40 students in 1972 to well over 31,000 students in 5 decades is in itself momentous. From this stage, I offer on behalf of my school family, heartfelt salutations to the founding Father and Mother of Sunbeam Group, Dr. Amrit Lal 'Ishrat' Madhok and Mrs. Deesh 'Ishrat' Madhok. We also respectfully bow to the memories of Shri Bhagat Singh Jamke -Freedom fighter who gave his life for the freedom struggle and his wife Mrs. Sartaj Kaur who was the founder President of Sunbeam English School Society. We, as educators try to enhance the students' knowledge and skills by using various innovative techniques within the classrooms. **IBLD, Multiple Intelligence, Theories of Blooms Taxonomy** along with Collaborative learning find a dominant place in our Precept & Technology based learning is an integral part of our classrooms. **Virtual Sessions, Webinars and Interactive Workshops** have enhanced our academic delivery system and students' performance. Academic strength is a back bone of an Educational institution, Sunbeam School Varuna has always been successful in developing strong academic skills which has been apparently evident from our stupendous performance in CBSE Results.

I feel elated to share the exemplary class XII and X CBSE, JEE –Advanced and NEET Results. **Tanishka Gupta** emerged as a city topper in class XII by acquiring 99% in PBC stream and obtaining 7th Rank in Uttar Pradesh and 3rd Rank in Purvanchal. Sunbeam Varuna Alumni from the School & Hostel are shining bright on all horizons Every year our batch placement roll of honors spreads from IITs to AIIMS to colleges of repute like SRCC, Lady Shriram, St. Stephens, Hindu College, St. Xavier's Mumbai and so on making us firmly believe that Sunbeam Varuna is educating for life.

Activities in the Kindergarten section are very important for the development of the hand muscles and tender fingers of children. These activities help them in perfecting the grip which is very essential at this early age and make them dexterous. They learn in a play way method which gives them an opportunity to learn through experiential learning. They also do a lot of collaborative learning by using different skills. The different corners of the classrooms are flooded with a lot of innovative techniques like Reading corner, Creative corner, Activity corner, Circle time and Multiple intelligence. In activities like ice-cream and fruit eating, they relish different fruits and flavors. Yoga and meditation in the morning assembly maintain their physical and mental well-being. Education is a lifelong journey whose destination expands as you travel.

Sunbeam chisels the students and makes them ready to take on the world and make a mark once they are out of this **chrysalis**, effortlessly because all these are engrained in the Sunbeam Varuna Hostel **ethos**. It's here in the air we breathe, in the life we lead.

This, in a nutshell, was Sunbeam Varuna, School and Hostel for you. The successful Journey of Sunbeam Varuna has been possible because of the way shown by our guiding lights Chairman Dr. Deepak Madhok and Director Mrs. Bharti Madhok. Every inch of Sunbeam Varuna, School and hostel that you see today, has been carved to perfection by the untiring efforts of our Deputy Director Mrs. Amrita Burman.
